Summary: Chaos overthrows Queen Harmony and takes over the Passion Kingdom and turn all the people into monsters known as Reiseina. Only the legendary warriors and dancers known as Precure can defeat her. Will the chosen Precure, Akamine Rina and Akamine Risa, also known as Cure Grace and Cure Tutu, be able to defeat Chaos restore the Passion Kingdom to its former glory?

1. Chapter 1

Once upon a time, there was a beautiful and peaceful kingdom known as the Passion Kingdom. It was ruled by Queen Harmony and everyone was happy in her rule. Every year, the Passion Kingdom had a contest that allowed people to express what they are passionate about. It also has different themes every year like music, art, dance etc. One year, as usual, everyone headed to the castle for the contest. That year, the theme was dance and many people had applied. When everyone was inside, Queen Harmony's fairy companion, Lala, announced her arrival. Coming up to the stage, Queen Harmony announced "Welcome, to the annual Passion Contest. As you all know, this contest is made to encourage people to express what they are passionate about. This year's theme is dance and we have lots of talented dancers to entertain us. Without further ado, I declare this contest open." The people cheered.

Suddenly, the sky turned black and a jarring laugh filled the castle. Lala hid behind Queen Harmony. Then, a woman with black clothes and flowing black hair appeared. "So nice to see you again, Harmony" she said. "Chaos. How dare you come here! I thought I banished you a long time ago" said Queen Harmony. "I happened to hear about the Passion Contest and I just had to come here to see the fun" said Chaos. "Don't you dare ruin this event. Its important for all of us" said Queen Harmony. "That's why I'm here. Your dancers could be useful to me. Come forth, Reiseina!" The dancers suddenly turned into monsters. "This is bad. This is very, very bad" said Lala. "Don't worry Lala. Just leave it to me" said Queen Harmony. Using her Magic Wand, Queen Harmony was able to defeat the Reiseina. "Hah! You think you can defeat me? Think again, Harmony" said Chaos. Saying this, she

summoned more Reiseina. This time all the people in the castle were possessed. "Oh no. Not even the Heart of Passions can defeat this many Reiseinas" said Queen Harmony. The Heart of Passions was the powerful golden jewel in Queen Harmony's wand. This time, she could not defeat the Reiseinas and the defeated her. The Heart of Passions came out of her wand. "Queen Harmony! Oh no no no no no!" exclaimed Lala. "At last, this powerful jewel is mine!" said Chaos. "No! Even without the Heart of Passions, my wand still has some power" said Queen Harmony. Using her wand, she split the Heart of Passions into seven different parts and sent it to the human world. "No! What have you done?!" said Chaos. "I split the Heart of Passions into 7 parts and sent it to the human world" said Queen Harmony. "How dare you! Where are they?!" said Chaos. "I don't know. I sent them to totally random places" said Queen Harmony. "Grrrr! That's it! I'll put you into the same place where you banished me!" said Chaos. Before the Reiseina could do that, Queen Harmony sent Lala to the human world. "Go find the pieces of the Heart of Passions and, if you can, the legendary warriors and dancers, the Precure" said Queen Harmony.

Suddenly, Rina Akamine rose from her sleep. "Wow. What a strange dream" she said. She woke up her twin sister, Risa Akamine. "Morning Risa" she said. "Morning Rina. I just had the strangest dream. I dreamed that a Queen was defeated and she sent her strange-looking companion to the human world to find something known as the Heart of Passions and the Precure" said Risa. "What a coincidence. I had the same dream" said Rina. The girls got up, brushed their teeth, put on their school uniforms, had their breakfast and went off to school. Though they were twins, they were very different. Rina was shy, reserved and introverted while Risa was cheerful, outgoing, optimistic and extroverted. "Hello Haruhi" said Risa when they went into their class. Nanami Haruhi was their best friend at school. She was a brunette who was known in her class for her beautiful artwork. "Hi Rina. Hi Risa. Have you seen my latest drawing?" said Haruhi. She showed them a beautiful drawing of a forest. "Wow. That's brilliant Haruhi" said Rina. "No wonder you're called the artist of the class. I'm sure you'll be really famous one day" said Risa. "Thank you so much" said Haruhi "Though your talents at ballet are not bad either. You two are the ballerinas of the class" she added. "Oh please. We're still quite far from becoming Prima Ballerinas" said Rina. "But we'll work hard towards it" said Risa. Despite their differences, Rina and Risa shared a common interest- ballet. They practiced it everyday and dreamed of becoming Prima Ballerinas one day.

Meanwhile, Lala had reached the human word. She had just escaped from the Dark Kingdom, where she and Queen Harmony were imprisoned. "Phew. That was some escape. If it weren't for Queen Harmony, I would have still been suffering there" she said. Just then, she saw Jasper, one of Chaos's minions. "Oh no! Chaos must have sent him to look for me. I'd better run" said Lala flying off. Unfortunately, she was noticed by Jasper who began to chase her.

Meanwhile, school got over for Rina and Risa. The girls walked home. Suddenly, Lala bumped into them. "What a strange looking creature" said Rina. "Oh, I'm sorry girls. But right now, I'm being chased by a bad person. And here he comes now." Saying this, Lala hid in Risa's bag. Jasper came up to the girls and asked them if they'd seen a fairy around. "A fairy? Certainly not" said Rina. "I didn't even know fairies existed" said Risa. Not suspecting anything, Jasper walked away. Lala came ut from Risa's bag. "Phew. Thanks girls" said Lala.

"Who was that?" asked Rina. "That was Jasper, one of Chaos's minions who was sent to look for me and bring me back to the Dark Kingdom" said Lala. "Chaos. That name sounds familiar...Ah I know! I saw her in my dream" said Risa. "Your dream?" asked Lala. "Yeah. Risa and I had a strange dream last night. Now that I think about it, even you were in my dream" said Rina. "You're Lala, aren't you?" asked Risa. "Yes!" said Lala. She got to thinking. "Maybe these girls are the chosen Precure." "Well then, lets head home. Mom is waiting for us" said Rina. They went home.

"Mom, we're home" said the girls. "Hi Rina. Hi Risa. Lunch is ready. Get changed and come to the table" said Mrs Akamine. The girls changed their clothes and had their lunch. Then they went to Lala, who was in their room. "These tutus are so soft" said Lala. "Aren't they? We're both into ballet" said Risa. "Ballet? I like ballet too" said Lala. "So tell me, Lala. Weren't you sent here to look for the Heart of Passions?" said Rina. "Yes. But as soon as I came here, Chaos's minions found me and banished me into the Dark Kingdom, where Queen Harmony, our ruler, had also been banished. With her help, I was able to come here again, but Chaos must have found out and sent Jasper after me" said Lala.

Meanwhile, Jasper was wandering around in search of Lala but with no luck. "That pesky fairy must have gotten away. Ugh, I could have at least used those two girls' passion and turned them into Reiseina" said Jasper. Just then, he found Haruhi, standing outside her house and sketching something. He went up to her and said "That's a nice drawing you've got there. "Thanks" said Haruhi, "I'm very passionate about drawing." "Oh, are you?" said Jasper smiling. "Oh yes. One day, I'm gonna become a famous artist" said Haruhi. "Hahaha. That's a nice passion you've got there. I can use it for my own benefit. Come forth, Reiseina" said Jasper. "Aaaaaaaaaahhhh!" At that moment, Haruhi turned into a monster.

Suddenly, Lala sensed something. "What is it, Lala?" asked Rina. "I sense something bad. I must go check it out" said Lala. And she flew out through the window. "Lala, wait" said Rina. "We should follow her and see what's wrong" said Risa.

The girls followed Lala. Suddenly, they were confronted by Haruhi as a Reiseina. "W-What is that?" asked Rina. "That's a Reiseina. Its a monster formed from people's passions" said Lala. "Ah, its the girls from before and that pesky fairy" said Jasper. The Reiseina attacked them and the girls ran. "Now, be good little girls and han over that fairy, and I'll let you live" said Jasper. "No!" said the girls in unison. "If you say so. Get them, Reiseina!" said Jasper. The Reiseina chased the girls and Lala. "Hahaha. What's the matter, girls? Aren't you scared of my Reiseina? Hand that fairy over and I'll tell it to leave you alone" said Jasper. "No. We may be powerless against your monster, but seeing what Lala has gone through, we're never gonna hand her over" said Rina. "And your monster was formed by taking an innocent person's passion. That's unforgivable" said Risa. "Hahahaha. You girls talk so passionately. Surely, you must have a passion too. Name it" said Jasper. "We do. Our passion is being a graceful ballerina" said Rina. "Hahaha. Ballet! What a pathetic passion. Get them, Reiseina!" The Reiseina tried to hurt them, but they were saved by a light that surrounded them out of nowhere.

"Huh? What's this light?" said Rina. "I knew it" said Lala. She

produced two Magic Wands and threw them to the girls. They caught the wand. "What do we do with this?" asked Risa. "Hold it up in the air and scream 'Precure Passion Power'" said Lala. "I'm not sure I understand" said Rina. "But we will try" said Risa. The girls held their wands in the air and screamed "PRECURE PASSION POWER!"

Suddenly, their wands began to glow and they began to transform. Their clothes turned into a tutu, heart shaped earrings appeared on their ears, a chain with a heart shaped pendent appeared on their necks, a bracelet appeared on their left hands and ballet shoes appeared on their legs. Their hair turned long and changed from colour from black to pink for Rina and white for Risa. "Dancing to the graceful tune! Cure Grace!" said Rina. "Dancing to the cheerful tune! Cure Tutu!" said Risa. "Ballet Dance Precure" they said in unison.

"What? We're Precure?" said Cure Grace. "This is...AMAZING!" said Cure Tutu. "Curses! Get them Reiseina!" said Jasper. The Reiseina charged at them but the girls jumped high. "Woah. We're so high up" said Cure Tutu. "It's the power of Precure" said Lala. The girls landed on the Reiseina. "That was AWESOME! Lets try that again" said Cure Tutu. "Yeah. Lets defeat this Reiseina" said Cure Grace. The girls jumped up again and kicked the Reiseina when they landed. They then hit it. The Reiseina tried to attack them but remembering what they learned in ballet, the girls avoided the attack. "This is actually kind of fun" said Cure Grace. "I know, right? Being a Precure is awesome" said Cure Tutu. "Grace! Tutu! Use your final attack" said Lala. "Final attack?" asked Cure Grace and Cure Tutu in unison. "Hold hands and scream 'Precure Passion Restoration.'" They held hands and danced for a while. Then using their wands, they screamed "PRECURE PASSION RESTORATION!" A white and pink beam of light went at the Reiseina and Haruhi was back to normal. "Darn it! This isn't the end, Precure. I'll be back" said Jasper and he went away. "Haruhi!" said the girls. They went next to her. Haruhi began to regain consciousness. "Just now...what was I doing?" said Haruhi. "Oh, thank goodness you're okay" said Cure Grace. Haruhi got up and went inside as Cure Grace and Cure Tutu turned back to normal. "Do you know that girl?" asked Lala. "Yeah. She's our good friend from school" said Rina. "That was so much fun" said Risa. "It was. But we were lucky this time. Who knows, the Reiseina may get more dangerous" said Rina. "Don't worry. As long as you believe in yourself, you can do it" said Lala. "Yeah. I wonder what's next in store for us" said Risa.

2. Chapter 2

"Jasper! Have you managed to catch that fairy?" asked Chaos. "I almost did, but..." "BUT WHAT?!" thundered Chaos. "Um...I have bad news, mistress. That fairy managed to find the Precure" said Jasper. "Precure? You mean those dancers and warriors of legend? Don't be silly. Precure don't exist" said Chaos. "They do. I saw them defeat my Reiseina before my eyes" said Jasper. "Very well then. Capture that fairy and the Precure and bring them here" said Chaos. "Yes, mistress" said Jasper.

Meanwhile, back in the human world, school had just ended for Rina and Risa. "Goodbye, students. Make sure you complete your homework" said Takahashi Ayumu, the girls' teacher. She then sat down in her desk, putting her hands over her head. "Ayumu-sensei, is anything wrong?" asked Risa. "No, I'm fine. Run along home now" said Ayumu.

The girls walked home.

"You look deep in thought, Rina" said Risa, as they walked home. "I was just thinking of that time we became Precure" said Rina. "It was fun beating up the bad guys, wasn't it?" said Risa. "Kind of. But we were lucky this time. What if next time, the Reiseina is stronger? We might get killed" said Rina. "Oh Rina, don't be negative. We're Precure. We can handle it" said Risa. "Maybe. But what if we are not so lucky next time?" asked Rina.

After finishing their lunch, the girls went over to Lala. "Lala, could you tell me something? Why were we chosen as Precure?" asked Rina. "Because not only are you girls great ballerinas, you were also kind and brave. That's what is needed in a Precure" answered Lala. "But, why us? We're just two normal 13 year old girls. Why do we have to handle all this? And besides, we were lucky last time. What if the next Reiseina is more powerful?" asked Rina. "Rina, Precure are legendary and powerful warriors. You will be able to handle this" replied Lala. "I'm not so sure about it" said Rina.

Meanwhile, Ayumu went home with a bad headache. "My head hurts all of a sudden" she said. "Never mind, Ayumu. Its just a headache. It will be gone by tomorrow." she told herself. But the next day, she woke up feeling very sick. "Oh no. How will I teach now?" she said. "I will just go to school. I'm not that sick anyway. My students need me" said Ayumu. So she dressed up, had her breakfast and went to school.

Meanwhile, the class was waiting for Ayumu. "Ayumu-sensei is late today" said a boy. "That's strange. Ayumu sensei is always on time" said Rina. Finally, Ayumu entered the class. "Sorry I'm late, students. My bike just broke down. Anyway, I hope you have all done yesterday's homework. Please show it to me" said Ayumu. From her voice, the students could make out that Ayumu was sick. However, they chose not to say anything. Meanwhile, Jasper was just outside the school. "I sense a very strong passion here" he said. He made himself invisible and looked through the girls' class window. "Ah, its that teacher. Though she's sick she still teaches. She must be very passionate about teaching. And...what's that? Its the Precure! They're here! Aha! This is my good chance to get them. Without their fairy, they'll never be able to transform" said Jasper.

Lunch break came. Everyone went out of the class. "Ayumu-sensei is obviously very sick" said Risa. "Yes. I could make out from her voice. Why did she come to school if she's sick?" said Rina. "Ayumu-sensei is very passionate about teaching, that's why" said Haruhi. "She knows that her students need her. That's why she doesn't want to miss a day of school." "How dedicated she is" said Rina.

Meanwhile, Jasper, disguised as the school principal went to Ayumu's class, where she was resting her head on the desk. "Takahashi-san" he said. Ayumu immediately got up. "Um, yes sir?" she said. "You have been very sick today. Why don't you go home?" he asked. "Oh principal sir, I simply can't leave my students. They need me. And I can't really entrust them with substitute teachers either. One I left my class in charge of one and he just slept the class through while telling the students to do things that I had yet to explain to them" said Ayumu. "Oh my. You really are passionate about teaching, aren't you, Takahashi-san?" asked Jasper, in the principal's guise. "Yes, I

am. I've always wanted to be a teacher ever since I was a little girl and now that dream has come true" said Ayumu. Jasper smiled. "Good, good. You're exactly the type of person I need." Saying this, Jasper revealed his true self. "Ah! Who are you?" said Ayumu. "Never mind that. Come forth, Reiseina." In an instant, Ayumu turned into a monster. She went out of the school and started wreaking havoc.

"Run for your lives! Our school is being attacked by a monster!" screamed the students. "A monster? It must be a Reiseina" said Rina. Sure enough, they saw a Reiseina wreaking havoc on the school grounds. "Alright! Another chance to transform!" said Risa. "Um, Risa. Need I remind you that we can't transform without Lala?" said Rina. "Oh, right" said Risa. "Hahahaha! So there you are, Precure. Reiseina, attack them!" said Jasper. "You again? Whose passion did you use this time?" asked Rina. "Your precious teacher. If it wasn't for her strong passion, I wouldn't have been able to locate you" said Jasper. "What? How dare you use our teacher?!" said Risa. "Enough talk now! Reiseina, attack them!" said Jasper. The Reiseina began to attack the girls. They began to run, like all the other students. "Can't we just fight it like this?" asked Risa. "No. We're powerless in these forms. We need Lala" said Rina. "Even if we were powerful, I don't have the heart to attack our teacher" she added. The girls just kept on running.

"Rina! Risa!" said a voice. The girls turned around. It was Lala. "Lala! Oh thank goodness" said the girls. "I sensed a Reiseina here, so I came. Here are your wands. Hurry up and transform!"

The girls took their wands and screamed "PRECURE PASSION POWER!" Once again, they transformed into Cure Grace and Cure Tutu. "Dancing to the graceful tune! Cure Grace!" "Dancing to the cheerful tune! Cure Tutu!" Dancing a little and giving each other a hi-five, they said in unison "Ballet Dance Precure!"

"Alright! Lets do this!" said Cure Tutu. She jumped up to attack the Reiseina, but it caught her by the leg and, after swirling her around, threw her away. "Cure Tutu!" said Cure Grace. She tried to attack the Reiseina, but it threw her into a tree. Cure Tutu came back and tried to hit it, but she missed. Cure Grace tried to attack the Reiseina from the top but it dodged her. "Its like it knows what we're about to do" said Cure Tutu. "Hahahaha! This Reiseina is more powerful than my last one. Of course, its smart because its a teacher" said Jasper. "Oh, what do we do now?" asked Cure Grace. "Don't worry. We're Precure. We can do this" said Cure Tutu. She tried jumping up to attack the Reiseina again, but it dodged her moves. "I told you we won't be lucky all the time" said Cure Grace. "Perhaps you're right" sad Cure Tutu. "No, girls! Please don't give up yet. You can do this if you work together" said Lala. The girls huddled together. "Okay. I'll tell you what, Grace. I'll distract the Reiseina and you hold it down" said Cure Tutu. "But why me?" asked Cure Grace. "Don't ask questions, Grace. Who knows? Maybe this can work" said Cure Tutu. "But Tutu, I don't think I can do it. I'm so insecure about being a Precure" said Cure Grace. "Grace, you were made a Precure for a reason. Believe in yourself, Grace. Just think you can do it" said Cure Tutu. "Okay" said Cure Grace, taking a deep breath. "I can do this."

Cure Tutu went up to the Reiseina and said, "Hey, Reiseina. Since you know all our moves, I think it might b best to just give ourselves up." "Is Cure Tutu crazy? She's a Precure, for goodness sake. She

"can't give up" said Lala. "Ah, so you're giving yourself up at last. Good to see you're opening your eyes" said Jasper. "Yes. That's what Cure Grace and I were talking about just now. She agreed that we should just give up" said Cure Tutu. "Haha. You're wise. Okay, spare them, Reiseina. I'll take them to mistress Chaos. She would like to have a word with you Precure" said Jasper. "NOT SO FAST" said Cure Grace. Coming from behind, she punched the Reiseina so hard that it fell face down. Cure Tutu then jumped up and kicked the Reiseina, just as it was getting up. "Lets do it, Grace" said Cure Tutu. "Okay, Tutu" said Cure Grace. Holding hands and dancing, they screamed, with their wands up "PRECURE PASSION RESTORATION!" The Reisiena was defeated and Ayumu turned back to normal.

"Ayumu-sensei" said Rina. "Ayumu-sensei, wake up" said Risa. Ayumu woke up. "Are you okay?" asked Haruhi. The students had surrounded an unconscious Ayumu. "Oh, I had a strange dream. I dreamt I was a monster who was wreaking havoc on the school grounds and two girls known as Precure stopped me. Next thing I knew, I was unconscious" said Ayumu. "Maybe its because you're sick, Ayumu-sensei" said Rina. "Yeah. You should stay at home if you're sick" said Risa. "But, you need me. I can't even trust you with a substitute teacher. You all know what happened that day with Kido-san" said Ayumu. "Yes. But you could assign a better substitute teacher. Like Naru-sensei. She's very good and popular among the students" said Haruhi. "Yes, maybe I was reckless. I'll assign a substitute and rest at home" said Ayumu. So Mitsukai Naru was assigned to be the substitute in place of Ayumu.

"You know what, Risa?" said Rina while walking home. "What?" said Risa. "I think I might feel more confident about being a Precure now" said Rina. "I'm glad" said Risa.

The next day, Ayumu was feeling much better and came to class with a smiling face.

3. Chapter 3

"JASPER! How much longer must I wait for you to simply catch that fairy and the Precure so we can search for the pieces of the Heart of Passions?" asked Chaos angrily. "Please forgive me mistress. I'm doing my best" said Jasper. "Oh Jasper, you are so pathetic" said a voice. A woman dressed into black came into the room. "Scarlet" said Jasper. "You're having so much trouble with two little girls and a fairy. How pathetic!" she said. Turning to Chaos, Scarlet said "Mistress, allow me to get those Precure and the fairy for you. I guarantee it will be done with me around" said Scarlet. "Alright Scarlet, you may go. But see that you complete the task without fail" said Chaos. "Agreed, mistress" said Scarlet.

Meanwhile, Rina and Risa were getting ready for dinner. Their mother laid the table. "Rina, Risa. Dinner is ready" called their mother. The girls went down after feeding Lala. "Has dad come home yet?" asked Risa. Mrs Akamine sighed. "No, he hasn't. What is with your father? He's always late" said Mrs Akamine. "Maybe dad has some important work. He'll be home soon" said Rina. At that moment, Mr Akamine came in. "Rina, Risa, Rei I'm home" he said. Mrs Akamine went up to him. "Ryo, late as usual I see" she said. "I'm sorry, Rei, I got held back for some work" said Mr. Akamine. "And apparently, your work is more important than your wife and to daughters at home, isn't

it?" said Mrs Akamine. "No, Rei, its not like that. I just can't help it" said Mr Akamine. "Half the time, you're always late. If you could just make an effort to come early, we could have dinner together and you could help me around with the housework" said Mrs Akamine. "Now Rei, why don't you understand? I get held back a lot, I can't help it" said Mr Akamine, a little more sternly. It soon turned into a heated argument. Rina and Risa came out to see. "Lets go into our room, Rina" said Risa.

The girls went to their room. "What's wrong?" asked Lala. "Mom and dad are having one of their arguments" said Rina. "Its okay. Parents fight all the time, just like siblings. They'll be fine by tomorrow" said Lala. But even the next day, they were still mad at each other. Rina and Risa went off to school, hoping they will make up by the night. That night, Ryo was late again. He drove slowly in his car, knowing Rei will be angry again. Suddenly, his car stopped. Ryo got down to see what was wrong.

"Need any help?" said a woman coming that way. It was Scarlet, in a disguise. "Yeah. My car broke down and I'm already going home late as it is. Rei will eat my head if I'm late again" said Ryo. "Don't worry, I'll see what I can do to help" said Scarlet. Soon, Ryo's car was fixed. "Phew! Thanks a lot. Now, I'll have to go and face Rei" said Ryo. "Is Rei your wife?" asked Scarlet. "Yes. She' lovely lady but can get scary if she's angry. I had a huge argument with her yesterday" said Ryo. "Oh my. She sounds quite strict" said Scarlet. "Yes. She think I don't care about my family because I'm late. I may be passionate about computers and all, but I do care about my family as well" said Ryo. "Passionate, you say?" said Scarlet. "Yes. I've always wanted to work with computers since I was a little boy" said Ryo. "Good to know" said Scarlet. She now revealed her true self and turned Ryo into a Reiseina. "Go and capture the Precure and their little fairy" said Scarlet.

"Rina, Risa. I sense a Reiseina on the loose. We'd better hurry" said Lala. She went out of the window. "We have to sneak out somehow" said Rina. They went out very quietly through the back door and followed Lala till they reached the Reiseina. "So, you must be the Precure" said Scarlet. "Who are you?" asked Rina. "My name is Scarlet. I'm here to capture you and that little fairy too. Get them, Reiseina" said Scarlet. The Reiseina attacked them. "Let's transform, Rina" said Risa. Lala gave the girls their magic wands and they transformed into Cure Grace and Cure Tutu. "Dancing to the graceful tune! Cure Grace!" "Dancing to the cheerful tune! Cure Tutu!"

Just then another Reiseina attacked them. It was Rei who was turned into a Reiseina by Jasper. "That's strange. I didn't summon that Reiseina" said Scarlet. She looked up and saw Jasper. "Jasper! What are you doing here?" she asked. "I won't lose to the likes of you, Scarlet" said Jasper. As the two argued, the Reiseina attacked the Precure. "Lets each get a separate Reiseina and then perform Precure Passion Restoration" said Cure Grace. "Good idea, Grace" said Cure Tutu. She went with the first Reiseina and Cure Grace went with the second. The two Cures fought them vigourously. Once they were together, they held hands and after dancing a little yelled "PRECURE PASSION RESTORATION!" Rei and Ryo were restored back to normal.

"Damn you, Precure!" said both Jasper and Scarlet as they went back to the Passion Kingdom. When Rei and Ryo woke up, they were on the

sofa. While they were unconscious, Cure Grace and Cure Tutu had taken them home. "What happened?" said Rei. "Oh Rei, I had a strange dream. I dreamt I was a monster and attacking two young girls" said Ryo. "I had the same dream" said Rei. "Um, Ryo. I think I was a bit too harsh on you yesterday. I know that you care about your faiily and try your best to be there for us. I'm sorry" said Rei. "Its okay Rei. I'm sorry too for always being late. I'll try my best to be on time from now on" said Ryo. Rina and Risa watched from their rooms, happy that all was well.

4. Chapter 4

Rina and Risa ran to their room after school. "You wanted to see us after school, didn't you Lala?" said Rina. "Yes indeed. Or rather, Queen Harmony wanted to see you" replied Lala. She took out her magic wand and waved it. A projection of Queen Harmony appeared on the wall.

"Awesome!" said Risa. "Ah, so you're Rina and Risa" said Queen Harmony. "Yeah. Why did you want to see us?" asked Rina. "I wanted to talk to you about your role as Precure" said Queen Harmony. "Yeah, I know. Defeat Chaos and restore the Passion Kingdom, right?" said Risa. "Yes, that's your main mission. You must also gather the seven pieces of the Heart of Passions and become Prima Ballerinas" said Queen Harmony. "What exactly is the Heart of Passions?" asked Rina. "The Heart of Passions is a very powerful jewel that can be destructive if it falls into the wrong hands. I used to own it, but when Chaos took over, I split it into seven parts and sent them to different parts of the world. You must find them before Chaos does" said Queen Harmony. "I get that but, what's this whole thing about becoming a Prima Ballerina?" asked Risa. "In our world, a Prima Ballerina is the ultimate form of Precure. To become a Prima Ballerina, you must be perfect in all ballet moves since a lot of the moves require ballet. And when you do become Prima Ballerinas, you'll be able to defeat Chaos" said Queen Harmony. "Alright! We'll do our best!" said Risa. "I'm sure you will" said Queen Harmony as she disappeared.

"Alright! Lets practice. We need to be perfect if we want to be Prima Ballerinas" said Risa. They changed their school uniforms and practiced a bit of ballet. They even tried to do a Pas de Deux together but failed as they had never tried it before. "Alright, that's enough for today. We'll practice more tomorrow" said Risa.

Next day, when they were at school, they saw a poster announcing a dance competition. "A dance competition! Should we enter, Rina?" asked Risa. "I don't know. I'm not so comfortable performing on stage" said Rina. "Oh come on, it'll be fun. We could perform a Pas de Deux in front of everyone. Even if we don't win, it'll be one step closer to becoming a Prima Ballerina" said Risa. "But we don't even know to do a Pas de Deux yet. Remember, yesterday we tried and failed" said Rina. "Who said we can't do it? Besides, we have plenty of time to practice" said Risa. "But...I...okay" said Rina. "Great! We'll practice at home tomorrow" said Risa.

At home after their lunch, the girls tried their best to make their Pas de Deux perfect. Every week, they practiced and gave it their all. Soon, the day of the contest arrived. The girls were dressed in

tutus. A lot of participants lined up. The girls waited for their turn. They watched their competitors dances. Some of them were in groups, some of them were individual. Soon, it was Rina and Risa's turn. The girls went on stage. But when Rina saw all the people looking at her, she felt nervous. "Rina, lets do this" said Risa. "Um...um..." stammered Rina. "Rina, its gonna be okay" whispered Risa. "I...I...I'm afraid. I don't think I can do it" whispered Rina. "Nonsense! We practiced hard. We can do this" said Risa. All the people waited. "What are these girls doing? Its my turn soon, they should get on with it already" said a boy whose turn was next. The teacher organizing the contest knew Rina well. She came up and announced "We are currently having some problems. So Rina and Risa will come back after a while. Next up is Akiyama Sadao." "Finally" said Sadao as he came on. "What took you so long? You know that I'm very passionate about dancing. I practiced day and night for this" said Sadao.

Scarlet was hiding backstage, waiting for an opportunity to take the Precure by surprise. Hearing Sadao's words made her thrilled. As soon as Sadao got on stage, Scarlet turned him into a Reiseina. Sadao as a Reiseina wreaked havoc in the auditorium. The audience ran helter-skelter. Rina and Risa came from backstage. "Hello, Precure. Long time no see. Reiseina, get them while they're still weak!" said Scarlet. The Reiseina tried to crush the girls but they managed to run away. Just then Lala got there. "Rina! Risa! I sensed a Reiseina here. Take your wands and transform!" she said from backstage. Lala threw the magic wands towards the girls. They went backstage so people couldn't see and screamed "PRECURE PASSION POWER!" and transformed into Cure Grace and Cure Tutu. Coming out as Precure, they gave their introductory speeches. "ADancing to the graceful tune! Cure Grace!" "ADancing to the cheerful tune! Cure Tutu!" "Ballet Dance Precure!"

"So you finally transformed, Precure. Get them, Reiseina!" said Scarlet. The Reiseina tried to crush the Precure with his hands but they jumped up. The Reiseina grabbed the opportunity and grabbed Cure Tutu by her leg. "Cure Tutu!" exclaimed Cure Grace. She jumped up and freed Cure Tutu from the Reiseina's grip. "Thanks Grace" said Cure Tutu. They fought on as the audience watched. "Who are those girls?" said one person. "I don't know, but they're pretty and amazing" said another. Everyone looked in admiration. "Lets do it, Tutu" said Cure Grace. "Okay, Grace" said Cure Tutu. They held hands, danced for a while and said "PRECURE PASSION RESTRATION!" Sadao turned back to normal and everything in the auditorium was restored. Cure Grace and Cure Tutu went backstage and detransformed.

"Well, we've had some...er...difficulties so Akiyama Sadao will have to wait for his turn. Back on stage we have the twins Akamine Rina and Akamine Risa" the teacher announced. Rina and Risa went on stage. "Rina, don't feel afraid. Just keep in mind that we just defeated a monster in front of everyone" whispered Risa. "We...we did?" said Rina. "Yeah. And everyone was admiring us. Didn't you know? This should be no problem" whispered Risa. "Okay Risa. I feel more confident now" whispered Rina. The girls performed their Pas de Deux together perfectly. The audience was in awe for the two girls. When the results were announced, Rina and Risa won the first place.

Rei and Ryo were taking a walk in the park one weekend. "Its so nice to take a walk here after my household duties" said Rei. "Yes indeed. Its so relaxing" said Ryo. Suddenly, the ground began to shake. "Oh my. What is this?" said Rei. "Relax, Rei. Its just an earthquake. We're used to earthquakes" said Ryo. "But this feels different somehow" said Rei. The ground began to shake again. Rei and Ryo went to see what was going on. They saw a Reiseina. "A monster?!" exclaimed Ryo. "So that's what was causing the earthquakes" said Rei.

Suddenly, they saw Rina, Risa and Lala running towards the Reiseina. "Is that...Rina and Risa? Why are they here? And what is that thing with them?" said Ryo. "Oh no! They're running towards the monster" said Rei. "Rina! Risa! Don't go there! Its dangerous!" screamed Ryo. But they did not hear him. "So you're here, Precure" said Jasper. "Who's that man?" asked Rei.

"Lets transform, Risa" said Rina. "Okay, Rina" said Risa. Lala gave them magic wands and they held it up and screamed "PRECURE PASSION POWER!" and transformed. "Dancing to the graceful tune! Cure Grace!" "Dancing to the cheerful tune! Cure Tutu!" "Ballet Dance Precure!"

Rei and Ryo couldn't believe their eyes. "Is that really...Rina and Risa? They look so...different" said Rei. "And did they just give themselves new names? Cure Grace and Cure Tutu? And what's with that whole Ballet Dance Precure thing?" said Ryo.

"So you've transformed, Precure. This time I'll destroy you once and for all. Crush them, Reiseina!" said Jasper. The Reiseina tried to hit them but they jumped up. The Reiseina grabbed them and threw them down. They got up and tried to hit it. But the Reiseina grabbed them by their hair and after swinging them around threw them against a tree. But Cure Grace and Cure Tutu did not give up. They dodged and the hits the Reiseina threw at them. The girls led the Reiseina to a wire and it tripped. "Lets do it now, Tutu" said Cure Grace. "Okay, Grace" said Cure Tutu. They held hands and danced for a while and then screamed "PRECURE PASSION RESTORATION!" The Reiseina was restored back to normal and the girls detransformed. "You did it, girls!" said Lala. "That was AWESOME! Man, I love being a Precure" said Risa. "But what are we going to tell mom and dad about our injuries?" asked Rina. "Don't worry. We'll think of something" said Risa.

When they went home, Rei and Ryo were waiting for them. "And just where were you exactly?" asked Rei. "Um...we were at the park" said Rina. "I see. And you must have rolled in the grass to look like this" said Ryo. "Um...we fell down. Sorry, we'll wash up" said Risa. "So, you're deliberately lying to us, are you?" said Rei. "Oh mom, you know we'd never lie to you" said Risa. "Okay. Then how do you explain those injuries on your hand, huh? Did you fight any monsters?" asked Ryo. Rina and Risa shared a troubled look with each other. "I...don't know what you're talking about" said Rina. "Don't you lie to us, young lady. We were in the park and we saw you transform into that Precure, or whatever its called, and fight that monster. And now you come home and lie to us?!" said Rei. "Oh, we're busted aren't we?" said Risa. "Very much so" said Ryo. "But its not the fact that you lied to us that pains us. As much as we hated that, its also the fact that you went out and got yourselves hurt" said Rei. "Mom, we've been doing this for a quite some time. We'll be fine" said Risa. "Oh no no no no no. No daughter of mine is going out

there and getting herself hurt, possibly even killed. Now go to your room!" said Rei. "But we..." began Rina. "No buts, young lady. Just do as we tell you!" said Rei. Rina and Risa went to their room.

"What's the matter, girls?" asked Lala. "Mom and dad found out that we are Precure" said Rina. "Oh dear. I hope they don't get in the way of our affairs" said Lala. Just then Ryo came into the room. Lala immediately hid and Ryo saw her. "No need to hid whatever that thing is. I already saw it with you" he said. "Now girls" he continued "Your mother and I are only telling you all this for your own good. We don't want our daughters to be injured and even killed by monsters. No parent would." "We understand, dad" said Rina. "Now please promise us that you won't become Precure again" said Ryo. "NO! THEY CAN'T PROMISE THAT!" screamed Lala from the bed covers. She came out. "Well aren't you a little cutie? What are you exactly?" asked Ryo. "My name is Lala and I'm a fairy from the Passion Kingdom. And I'm sorry to say that Rina and Risa can't promise what you just said" said Lala. "Why not?" asked Ryo. "Because as Precure it is our duty to protect people's passions and fight evil" said Rina. "Nevertheless, your mother and I forbid you from being Precure. Lala, I'm sorry but my daughters can't be Precure. Two teenage girls are not fit for it. They could get hurt. I suggest you look for someone a little older for the job" said Ryo and he went out of the girls' room. "Dad doesn't seem to understand" said Rina. "Nevertheless, you can't quit being Precure. We'll find a way to sneak out if a Reiseina arrives" said Lala.

The next day, just when Rina and Risa finished their homework, a Reiseina did appear. "Rina! Risa! I sense a Reiseina. We have to go out!" exclaimed Lala. "We have to find a way to sneak out" said Rina. "Let's go out and not make a sound" said Risa. They both tiptoed to the door. Just when they were almost out, Rei came there. "And just where are you going?" she asked. "Oh, we're going to the park" said Risa. Rei looked at them suspiciously. "No Precure business, I presume?" said Rei. "Oh no. We just finished our homework and we're going out to relax" said Rina. "Hmmmm...okay, you may go" said Rei. But after they went to, she went to Ryo and said "After yesterday's incident of the girls lying, I think we should follow them to see if they're really just going to the park." Ryo got his car and they followed the girls.

The girls transformed. "Dancing to the graceful tune! Cure Grace!" "Dancing to the cheerful tune! Cure Tutu!" "Ballet Dance Precure!"

"I knew it!" said Rei. They got out of their car. "RINA! RISA! COMEBACK IMMEDIATELY!" said Rei. "Oh no! They followed us" said Cure Tutu. "I can't believe it. I thought you were going to the park" said Ryo. "MOM! DAD! LOOK OUT!" said Cure Grace. The Reiseina was about to hit the car. Rei and Ryo got out immediately as the Reiseina destroyed their car. "My car! My beautiful car!" exclaimed Ryo. "Girls, come back home this instant" said Rei. "But mom..." began Cure Grace. "No 'buts'! You two are coming home right away. You're both in big trouble!" exclaimed Rei. "Mom, we've tried reasoning out with you and dad, but we'll have to be firm now. We are not giving up our roles as Precure!" said Cure Grace. "Don't you talk to us like that!" said Rei. "We've tried telling you nicely but you didn't listen. Mom, we HAVE to be Precure. We have to protect people and their passions. If we don't then these monsters will take over. If we

don't do it, then who will?" said Cure Tutu. Rei was speechless.

The girls jumped up and punched the Reiseina. Using a wire, they tripped it. Then they danced and screamed "PRECURE PASSION RESTORATION!" The Reiseina was restored to normal. "Curse you, Precure! You won't get away so easy next time!" said Scarlet as she disappeared. Everything was restored to normal, including Ryo's car.

"Rina, Risa. We understand your role as Precure now" said Rei. "Yeah. We're sorry we distrusted you. You can surely do it" said Ryo. "But my car is in bad shape" he continued. "Not really dad" said Rina. She pointed to Ryo's car. It was back to normal. "My car! But how did that happen?" he said. "It always happens after a battle" said Risa. "But what about that woman who threatened you?" asked Rei. "Don't worry about her. Her threats are all empty" said Rina. "Girls, we promise that from now on, we will support your role as Precure. We know that you can do it" said Ryo. "Thanks mom and dad" said Rina. "With your support, I know we can be stronger" said Risa.

6. Chapter 6

"How are Rina and Risa doing their roles as Precure?" asked Queen Harmony. "They're doing good so far" said Lala. "Then I think its time they got their Ribbon Attacks" said Queen Harmony. "Ah yes, the Ribbon Attacks. But when ill I give it to them?" asked Lala. Queen Harmony smiled. "When the right time comes, they will get it" she replied.

Meanwhile, Chaos was angry with Jasper and Scarlet. "I'm disappointed in you. I trust you to defeat the Precure and you fail time and time again" she said. "We're sorry, Mistress" said Jasper. "If you could give me one more chance-" began Scarlet. "NO! From now on, you will work together" said Chaos. "TOGETHER?!" said Jasper and Scarlet. They looked at each other. "Mistress Chaos, surely there must be another way" said Jasper. "Mistress Chaos, I don't normally disobey your orders but I REFUSE to work with this moron" said Scarlet. "SILENCE! YOU WILL NOT DEFY ME! YOU WILL WORK TOGETHER AND THAT IS FINAL!" screamed Chaos. "Yes Mistress" said Jasper and Scarlet.

Meanwhile in the human world, Rina and Risa were at school. The teacher was writing something on the board. "Now, as you all know, the Sports Festival is coming up. This year I want participation from all of you. Even if we don't win in the end, your contribution counts" she said. "Alright, the Sports Festival! I always look forward to it" said Risa. "This year, I'll be sure to make a contribution. I will not drag our class down" said Rina.

The bell rang and Rina and Risa walked home. "I'm so looking forward to the Sports Festival. Its gonna be great fun. This year, I'm gonna be sure to take my class on top. Are you gonna do that too, Rina?" said Risa. "Oh Risa, you know that in the end, I always drag our class down" said Rina. "Oh Rina, that's not true" said Risa. "Really? Do you remember when I messed up in the three legged race last year? And the obstacle race the year before that? And even- " "Okay, okay. You're not exactly the brightest person when it comes to sports. But hey, you can always not take part" said Risa. "I can't do that. Ayumu-sensei wants all of us to contribute. That includes me" said Rina. "Don't worry, Rina. We'll find a way to help you for sure" said

Risa.

They went home and changed. "Rina! Risa. I have good news. You might get your—" "Lala, we need your help!" said Risa. "Yeah, what do you want?" asked Lala. "You see, I always manage to mess up at the Sports Festival. Do you have any ideas to how I can stop that?" asked Rina. "Well, why don't you just not do anything?" asked Lala. "No, our teacher wants everyone to contribute. Including me" said Rina. "Well then, you've got nothing to worry about. I can help you" said Lala. She took out her magic wand and transported them to a place that looked like their school ground. "Are we...back at school?" asked Rina. "No. You're only at a place that looks like it" said Lala. She had turned into a human. "Lala, you're...you're a human" said Rina. "Yeah. I always turn into one when I teleport here" said Lala. "Well then, lets start your practice.

The girls practiced everyday after school. Rina messed up at first but she soon got better. Soon, the big day arrived. Students were dressed in their sports equipment. "I'm going to do something to help. Just you wait and see" said Rina to herself. "I declare this Sports Festival open" said the principal. The events began. Risa took part in almost everything. Rina took part in some things. For the three legged race, her partner was a girl named Kobayashi Aimi, who was a bit clumsy but had practiced a lot like Rina. The two made it in the second place together. "We didn't get first place but we did well, didn't we Akamine-san?" said Aimi. "Yes, we did do well, Kobayashi-san" said Rina. "You are much better this year than last year" said Aimi. "Yes indeed. Its all thanks to practice" said Rina.

Meanwhile, Jasper and Scarlet were looking for a suitable person to become a Reiseina. It was clear that the two didn't get along. "Ugh, I can't believe I have to work with a idiot like you" said Jasper. "Stop grumbling. If it wasn't for your constant failure, we wouldn't have to do this" said Scarlet. "Oh, shut up. Didn't you fail quite a lot of times too?" said Jasper. "Not as much as you did" said Scarlet. "Hush. I can sense strong passion here" said Jasper. "You mean in this school?" asked Scarlet. "Of course. Now lets find a way to get inside." The two climbed over the fence and got inside. They went to the school grounds. "Where is this strong passion you sensed?" asked Scarlet. "Be patient, will you?" said Jasper. They went to the school grounds where the Sports Festival was going on. "Ooh, it must some special occasion for everyone to be out here" said Scarlet. "Its a Sports Festival. They're all wearing sports outfits" said Jasper.

"We will now take a short break" said one of the teachers. "Aww, I wanted to watch some of the events" said Scarlet. "Since when did you become so interested in sports?" asked Jasper. "You know, we might find someone to tun into a Reiseina" said Scarlet. "You were quite good in the obstacle race, Akamine-san" said Aimi. "Thanks. You were good this year too, Kobayashi-san" said Rina. "Its all the practice that paid off" said Aimi. "Same here" said Rina. "If only they had tennis even here. I love that sport. I wanna become a famous player one day" said Aimi. "I'm not too bad at tennis either" said Rina.

"That girl sitting there. There are some strong passion vibes coming from her" said Scarlet. "Yes! That's the strong passion I was sensing" said Jasper. "Come forth, Reiseina" said Jasper. Aimi was

turned into a Reiseina. She began destroying the school grounds.

"A Reiseina at this time too? Can't we ever get a break?" said Risa.
"Apparently not" sighed Rina. After a while, Lala arrived there.
"Rina! Risa! Take your wands and transform!" she threw them at Rina
and Risa. The girls went into hiding so their classmates and teachers
wouldn't see them and transformed into Cure Grace and Cure Tutu.
"Dancing to the graceful tune! Cre Grace!" "Dancing to the cheerful
tune! Cure Tutu!" "Ballet Dance Precure!"

The Reiseina threw tennis balls at the Precure. They dodged them all,
though they were very big. The Reiseina then trapped them in a circle
of tennis balls and threw more of them at the Precure. One of them
hit Cure Grace. "Grace!" said Cure Tutu. "I'm alright" said Cure
Grace. "Why don't you give up? You're trapped now, Precure" said
Jasper. "No! Practicing for this Sports Festival taught me to never
give up, no matter what comes in my way. I didn't give up then and
I'm certainly not giving up now" said Cure Grace. At that moment, a
pink light surrounded Cure Grace. A pink ribbon appeared in her hand.
"What's this?" said Cure Grace. "Grace! Hold that out and scream
'Precure Pink Ribbon Attack'" said Lala. "Okay, I'll try" said Cure
Grace. Holding her ribbon out, she yelled "PRECURE PINK RIBBON
ATTACK!" Her ribbon became longer and destroyed that big tennis balls
that surrounded them. Then she directed it at the Reiseina. Cure
Grace tied the Reiseina up with it and then flung it in the air. She
then jumped up and punched it. The Reiseina fell down. It was now in
a state of shock. "Tutu, now" said Cure Grace. Holding hands, they
screamed "PRECURE PASSION RESTORATION!" Aimi was turned back to
normal.

The girls went to the back of the school and detransformed. When the
Sports Festival was over, the head teacher came to the mike and
announced "The winner of this year's Sports Festival is class 5!" It
was Rina and Risa's class. Everyone cheered as class 5 held up the
trophy. Everyone was happy. But Rina was the happiest. Finally, she
had not dragged her class down and instead, helped them to come up.
"By the way, that pink ribbon attack was awesome" whispered Risa to
Rina. "Thank you" said Rina.

7. Chapter 7

"First of all, I want to thank everyone for helping our class win the
Sports Festival" began Miss Ayumu. "Secondly, the school play is
coming up in a few months. The play for this year is called 'A Tale
of Two Sisters'. The characters and their roles are put up on the
notice boards. Those who are interested can meet Miss Mitsukai Naru
during recess." "The school play. I'm definitely going to take part.
What about you, Rina?" said Risa. "I'm not taking part" said Rina.
"Oh come on, I thought you got over your stage fright during the
Dance Competition incident" said Risa. "Yeah, but I don't think I'm
ready for those roles yet" replied Rina. "Oh come on, you could at
least take up a minor role. It will be fun. Besides, mom and dad will
be happy to see both their daughters performing for once instead of
just one" said Risa. "Alright, I suppose I could take up a minor
role" said Rina.

During recess, the girls checked out the characters and the roles
they play. "I want the role of Maria. She seems like the girl who
would suit me" said Risa. "I think I'll have the role of the

Enchantress. I've always wanted to use magic anyway" said Rina. The girls went and me Miss Mitsukai Naru in the auditorium.

A lot of students had already gathered there. Soon, it was Rina and Risa's turn. "Yes girls. Tell me your names and the roles you want to play" said Naru. "Akamine Risa and I want to play the role of Maria." "Akamine Rina and I want to play the role of the enchantress." Naru noted the names down. "Why Rina, you never take part in any school plays because of your stage fright" said Naru. "I think I've slightly gotten over it. Though I'm not ready for huge roles yet, I've just taken a minor one" said Rina. "That's good. Before long, you'll soon be playing huge roles" said Naru.

Just then, a girl with long brunette hair and light blue eyes walked into the auditorium. The girl, whose name was Hayashi Miyu, was known by everyone as "the star of the school". She was not only pretty, but was also a great singer and an amazing actress. She got huge roles in every school play she auditioned for. She was three classes ahead of Rina and Risa. She casually came towards Naru and said "Hayashi Miyu and I want to play the role of Maria." Naru took down her name. "Well Risa, if you want the role of Maria, it looks like you'll have to compete with many girls, one of them includes the star of the school" said Rina. "Oh no, if Hayashi auditions for a role, she's sure to get it" said Risa. "She sure is. She's amazing" said a girl.

Rina and Risa went out, holding the scripts they had got for their roles. "Maybe I should talk her into trying to take another role" said Risa. "No way. Hayashi knows very well what she wants. She'll never change her mind" said Rina. "There's no telling unless you try" said Risa. She found Miyu and went towards her. "Hey Hayashi" she said. "Oh, hello Akamine" said Miyu. "What do you want?" "You see, about that role of Maria, I don't think it suits you, you know. Why don't you take the role of the second sister, Julia, instead? I mean, she's rich and pretty. She suits you" said Risa. Miyu looked at her with suspicion. "And I suppose you're telling me this only because you want the role of Maria as well?" asked Miyu. "Oh, no no no. Not at all. I just thought that the role of Julia would suit you better" said Risa. "Sorry, not happening. I know what role I want to play. I want the role of Maria and that is final" said Miyu.

Risa went back disappointed. "It didn't work. I'll still have to compete with her" said Risa. "Why don't you practice? If you practice hard, then maybe you can get better than her" said Rina. Risa took a deep breath. "Yeah, you're right. I'm gonna practice hard enough to beat Hayashi" said Risa.

Meanwhile, Chaos was very angry with Jasper and Scarlet as they had failed many times. "You have disappointed me enough times now" said Chaos. "Its not my fault, Mistress Chaos. Jasper's Reiseina was so weak" said Scarlet. "Hey, everything was going fine until Cure Grace got the stupid Pink Ribbon Attack" said Jasper. "SILENCE! THIS is the reason why you're always failing. You care more about your rivalry with each other than doing what's really important- defeating the Precure and finding the Heart of Passions. If I ever see you quarreling like little kids again, I will throw you into the same prison as Queen Harmony. Do you understand?" boomed Chaos. "Yes, Mistress Chaos" said Jasper and Scarlet. "Good. Now off you go once again" said Chaos and sent them to earth.

"We've got to be on our guard. After all, you've failed enough times

already" said Scarlet. "As if you were any better. If you were, then defeating the Precure wouldn't be such a big problem" said Jasper. "Pah! You just think too much of yourself" said Scarlet. "AND YOU DON'T?!" said Jasper. Suddenly, thunder struck down and almost hit them. "Its Mistress Chaos" said Jasper. "Sorry, Mistress. We'll get moving" said Scarlet. "Are you talking to the clouds?" asked Miyu as she passed by. "Um, no no no" said Scarlet. "You were just talking to someone. I saw you" said Miyu. "Didn't you see the thunder?" asked Jasper. "Um, no. There was no thunder. You were clearly imagining stuff" said Miyu. "By the way, where did you get those outfits?" she added. "Oh, you like them? Oh we just made it ourselves" said Scarlet. "Nope. I wanted to know because they're the tackiest outfits I've seen. I knew we don't get them elsewhere" said Miyu. With that she walked away. She turned back and said "Just a bit of friendly advice but, don't focus so much on black. Maybe that's why they're tacky" and walked away. "Tacky, huh? She dared to call my outfit tacky? Oh I'll show her. I'll..." "Enough, Scarlet. I sensed a strong passion in her. So maybe she could be put to good use" said Jasper. "Yeah, you're right. We'll get her at her finest moment. And remember, this time I'll summon the Reiseina" said Scarlet. "Alright. Lets see if its any better" said Jasper.

Meanwhile, Risa practiced long and hard for her part. She really wanted it and was determined to beat Miyu. Soon, it was the day of the auditions. The students went up on stage one by one and enacted the characters they wanted to play. When Risa acted her part, the students were filled with wonder, for she had practiced so well that she could say it so fluently without her script. Everyone clapped at her performance. Even Miyu enjoyed it. Just as Miyu went on stage, Scarlet, who was in hiding, summoned a Reiseina. Miyu was turned into a star shaped Reiseina. "A star. Really? That's the most unappealing Reisiena I've ever seen" said Risa. But the Reiseina shined so brightly that the students were almost blinded. Rina and Risa helped evacuate the students. Lala came there with their wands just in time and the girls transformed.

"Dancing to the graceful tune! Cure Grace!" "Dancing to the cheerful tune! Cure Tutu!" "Ballet Dance Precure!" The Reiseina shined brightly. "So...bright" said Cure Grace. Then the Reiseina ambushed them. Cure Grace's hand was scratched in the process. "Grace! Are you alright?" asked Cure Tutu. "Don't worry. I'm alright" said Cure Grace. "I think its time to use the ribbon attack" Cure Grace pulled out her ribbon and screamed "PRECURE PINK RIBBON ATTACK!" But she found that she couldn't move her hand because of the scratch. "Oh what do we do now?" asked Cure Tutu. "Hahahaha. What's the matter Precure? Does my Reiseina shine too brightly for you?" asked Scarlet. "Why are you helping this girl anyway. She's not only a brat but she's also your rival" said Jasper. "No, Hayashi is not a brat. She just speaks what's on her mind, that's all. And so what if we're rivals? Hayashi still needs to be saved and even if we're competing, I'm willing to help her" said Cure Tutu. At that moment, a light shined and Cure Tutu got a white ribbon. "HURRAY! Tutu, shout out 'Precure White Ribbon Attack'" said Lala. Cure Tutu did as told and shouted "PRECURE WHITE RIBBON ATTACK!" The Reiseina shined brightly but when the ribbon touched it, it lost its shine. It then coiled around the Reiseina and flung it in the air. Cure Grace and Cure Tutu then held hands and screamed "PRECURE PASSION RESTORATION!" Miyu was returned back to normal. "Ugh, curse you Precure" said Scarlet

The audition went on smoothly after that. When it was over, Naru

announced the results. Risa got the role of Maria, but Miyu was given the role of Julia as the teachers couldn't decide who to pick for that role. Rina got the role of the enchantress. "You're a worthy competitor, Akamine" said Miyu. "Thanks Hayashi" said Risa. The school play came soon and everyone performed their parts well.
